

IOWA SOYBEAN PROMOTION BOARD

Did you know there are more than 90,000 farms in Iowa? Farmers grow crops like soybeans, corn, oats, and alfalfa. And they raise pigs, cattle, turkeys, chickens, and eggs.

Farming is one of Iowa's most important businesses. Iowa farmers do a great job and rank at or near the top in many categories!

<u>Category</u>	<u>Rank in the United States</u>
Soybeans	Second
Corn	First
Oats	Fourth
Pigs	First
Eggs	First

Your friends at the Iowa Soybean Association want you to know more about the crops and livestock produced in Iowa. In the Kids' Agricultural Recipe and Activity Booklet, you will find fun facts, easy recipes, and activities.

The Iowa Soybean Promotion Board asked their friends to help them create this booklet. Other participants include:

Iowa Beef Industry Council
Iowa Turkey Federation
Iowa Pork Producers Association
Iowa Egg Council
Iowa Farm Bureau
Midwest Dairy Association

Enjoy your Kids' Agricultural Recipe and Activity Booklet. And thank an Iowa farmer for the work they do to help produce food for the world.
